<b>Key Features:</b>			
<p>The Landmark® Plaza® Container combines upscale aesthetics with ergonomic design, making it ideal for outdoor use in public facilities such as stadiums, airports, malls and office buildings.</p>			
<p>While patrons will notice the Plaza™ Container's handsome appearance, workers will appreciate its ergonomic design. A side-mounted hinged service door opens to give full access to the container's interior for easy servicing. To remove a full polyliner bag without awkward heavy lifting; simply slide out the standard polyliner.</p>			
<p>The Plaza® Container keeps refuse under cover – with two spring-loaded swing doors that help conceal waste, contain odors and control pests. This ash tray model is for public smoking areas but there is also a model available without the ashtray if desired.</p>			
<p>The Landmark® Plaza® Container. It's a beauty everyway you look at it!</p>
